

Mississippi Republican Party Summer Internship Program

The Mississippi Republican Party is seeking interns for the summer at our headquarters in downtown Jackson.

Interns will experience the fast-paced nature of politics while gaining hands-on experience that will be valuable in any professional setting. This is a great opportunity to build relationships, develop networking skills, and gain insight into the work of the Mississippi Republican Party and the political process.

Intern responsibilities may include but are not limited to:

- Completing daily administrative duties
- Assisting in communication, political, and financial tasks
- Helping staff with event preparation and projects
- Assisting with grassroots outreach efforts
- Supporting party events and other MSGOP activities

Ideal interns are hardworking, reliable, and eager to learn in a fast-paced environment. Experience with Google Sheets/Excel is preferred. The internship is unpaid and requires a minimum of 10 and no more than 20 hours per week, with flexible scheduling based on the intern's availability and other commitments. All majors are welcome to apply, and class credit may be available depending on your major and school requirements.

If you are interested, please complete the internship application and email it along with your resume to Rance Bilbo, Executive Director (ED@msgop.org).
